

FOR SALE

WOW saddle. Would make a lovely Xmas present. 17½ dark brown dressage saddle. Hardly used. Excellent condition.

Memory foam panels – not the usual air bags, as in most WOW saddles. Extremely comfortable. I will also give the saddle bag to keep clean.

This saddle has three inter-changeable heads. Very easy to change when your horse changes shape.

I paid £950 for this saddle. But now have too much tack and don't have the horse it was fitted for. Price of £550 obo. Tele: 0191 3733847 after 6:00 pm or 078544 23705.

Also, a pair of beautiful Italian leather riding boots, zip fastening at back. Again these boots were only worn about 6 times. . Paid around £300. So again in excellent condition. Will accept £150 obo. I will throw in the carrying bag.
